

# Hospital Adjustments

## Adjustments via the Adjustments Screen

If an adjustment is required for refund, write off, incorrect billing purposes etc it can be done using the Adjustments Screen or from the patient History / Episode screen. Both options are explained below.

### Making the entry from the Adjustments Screen

1. Go to **Accounts** in the main menu & select **Adjustments**  

2. For multi-location systems, use the drop down to select the relevant **Location**
3. Enter the required **Transaction Date** if it differs from the current date
4. Use the **Type** dropdown to select the required transaction type e.g., write off, incorrect billing, discount, refund etc.
5. If **Refund** is selected as the Type, the **Payment Type** field will be displayed so the method of the transaction can be documented. For all other journal / adjustment Types this field will not be necessary & won't be displayed
6. Type the required information in the **Drawer** field
7. Use the **Reference No., Bank & Branch** fields, if the facility work instructions require, to document additional information regarding a bank cheque for refunds etc
8. Click "**Click to Search for an individual Account**" and the search box will be displayed to find the required patient
9. Once a patient is selected, the invoices with an outstanding amount will be displayed
10. Use the **Show All Invoices** option to display invoices that don't currently have an outstanding balance
11. Type the amount to be refunded in the **Allocated** column
12. Once you have moved from the Allocated field the system will show you the **Possible Balance** of the invoice, following the adjustment
13. Once all details have been confirmed & are correct click **Save**

### Making the entry from the Patient History / Episode Screen

1. **Search** for the patient using the Search field or by selecting the required admission date & theatre
2. Right-click on the appointment & select **History**
3. Once in the Episodes screen ensure that the correct episode is selected
4. Then use the **Invoice Options** drop down on the right of the screen to select **Adjust Invoice**
5. You will be redirected to the **Adjustments** screen where you can follow the instructions above from **step 2**.
