

# Hospital Appointments Screen

## Navigating the Appointments Screen

The screenshot displays the Hospital Appointments Screen interface. The interface includes a sidebar on the left with various navigation icons. The main area is divided into a header section and a content section. The header section contains a date selector (1), a search bar (2), a date and time display (3), and view options (4). The content section features a calendar (5), a filter dropdown (6), an action menu (7), and a table of appointments (8).

1. Today
