While you notice that there are more fields than shown above, for **Bulk Billing** we will only be focusing on a few.

Please note that most of these fields are drop down menus.

- **Location:** The Location the service took place. If you only have one it will be defaulted.
- **Practitioner:** The Practitioner who performed the service.
- **DOS:** The Date of Service.
- **In Hospital:** A tick-box to indicate if this service was performed in a Hospital. If you select this the **Hospital** drop down menu becomes active, allowing you to select the Hospital.

The last step before we can begin our billing is to enter any needed referral information. If this does not apply to you, skip to the next section: **Adding Items**

Otherwise, simply fill out the **Referral** section as seen below. If you only have one referring doctor for this patient, they will be automatically selected here (provided it has not expired)

Clinic Billing

You will arrive at the **Clinic Billing** page. Here we can see a brief overview of previous information for the patient, and where we can bill an invoice.

Billing is as easy as typing in the item you need and selecting it. There are two different ways to search for the item as shown below:

- **Search for the item number itself.**
- **Search for a word in the description. This can either be at the start, or anywhere within the description!**

DOS	Item	Description
	<input type="text"/>	

Remember for **Bulk Billing** the **Date of Service (DOS)** cannot be changed in an invoice.

Once you have entered all your items as desired, click on the **Review Charges** button to proceed to the final page of billing.

Clinic Review Charges

You may notice that this page looks nearly identical to the previous **Clinic Billing** page. The only real difference is that you can no longer add or change items, and there are additional buttons at the bottom.

You will also be able to see the **Total Charges** for the items you have billed like so:

Total Charges	\$94.75	Total GST	\$0.00
Total Rebate	\$94.75	Out of Pocket	\$0.00

There are a few different options on this screen:
