## **Manually Updating Clinic Health Fund Fees**

Whether it is Medicare, DVA, or Health Funds, FYDO keeps your item fees up to date, automatically.

**Note:** Your FYDO system maintains the latest Medicare/ DVA fees by default. To enable automatic fee updates for the Health Funds, click on the link below:

https://wiki.fydo.cloud/Health-Fund-Fees

#### Manually updating health fund fees

The manual procedure can only update fees for items that have already been added to your FYDO system. So, to prevent having to re-run the update for a given health fund, we recommend that you add all the items you need to bill *before* running the update.

Not sure how to add items? Click on the link below to learn how:

https://wiki.fydo.cloud/adding-mbs-items/

Ready to manually update your health funds fees? Let's get started!

#### First, go to **Settings > Bulk Fee Update**

You will now see the **Bulk Fee Update** screen where you will need to update *two* sets of fees for *each* health fund. The first set are the "Old fees/ codes" and the second set are the "Current fees/ code" (**To be updated in that order**).

- 1. The Old Fees are what will be charged for services where the *Date of Service* is prior to the introduction date of *new* fees for a given item.
- 2. The Current Fees are the **latest fees** and will be charged for services where the *Date of Service* is on or after when new fees were introduced for a given item.

SETTINGS > ITEMS > 110 - PROFESSIONAL ATTENDANCE AT CONSULT

Item Details					
Number	110		Category	1	Group A4 Sub
Procedure Name	Professional attendance at consult		Item Type		V Qty on Hand 0
Notes			Modal		
140165			Rule	Dummy 😽	🗌 100% rebate <mark>?</mark> 👘 R
Link Procedures			?	Active	Stock Item
Classifications - Hospital					
Theatre Band (National)	*			Same Day Accom Band 1 C	Iverride 🗌 Accom Item ?
Theatre Band (State)	*			Eclipse Code Mapping	
Day Type	~			ADA Code	
Patient Class	*			🗆 Timebase ?	
Even Schedules - Clinic		~	"Current fees" - Fee after threshold date of 01/02/2021	"Old fees" - Fee <b>prior</b> threshold date of 01/02/2	to 1021
		Current	Three	hold	Old
Level	Level Name	Fee ex GST	GST Da	te	Fee ex GST
0	DVA In-hospital	\$ 217.95	01/02/	2021 🦰	\$ 217.95
1	MBS 100%	\$ 157.95	01/02/	2021	\$ 157.95
2	Workers Comp	\$ 0.00	01/01/	2020	\$ 0.00
3	Private Fee 3	\$ 0.00	01/01/	2020	\$ 0.00
4	AHSA	\$ 185.70	01/11/	2020	\$ 185.70
5	BUPA	\$ 189.60	01/11/	2020	\$ 189.60
6	HCF	\$ 189.90	01/11/	2020	\$ 189.90

In other words, every item has two fees – the current fee and the last fee before the current. Therefore, before we can update the current fees, we need to push them to the old fees.

#### Updating the old fees

There are a number of ways to update fees:

- Importing an Excel file update fees from excel file
- Percentage update fees as a percentage of the old or current fees
- Pricing update fees by dollar amount

This blog post recommends using the percentage option. So, as shown in the screenshot below:

- 1. Set the Update Fee Level to: the health fund you wish to update fees for,
- 2. Set the *Codes* to: **Old Codes**,
- 3. Set the *Change Fee By*: to **Percentage**
- 4. Set the Base Fee Level to: the same health fund chosen in step 1
- 5. Set the *Percentage* to: **100.00**

FEES SETUP > BULK FEE UPDATE			
Bulk Fee Update			
Update Fee Level		Change Fee By	
5 - BUPA	*	Percentage	*
Codes		Base Fee Level	
Old Codes	*	5 - BUPA	*
		Codes	
		Old Codes	*
		Percentage (%)	
			100.00

#### Then, click the **Save** button

This will replace the Old fees of all items for the selected health fund with the current value of the current fees.

#### Updating the current fees

Next, we must update the current fees; and we do this on the same screen as above. We will be updating the health funds fees by importing an Excel sheet.

As shown in the screenshot below:

- 1. Set the Update Fee level to: the health fund you wish to update fees for,
- 2. Set the *Codes* to: **Current Codes**,
- 3. Set the Change Fee By to: Importing an excel file

Next, you'll need to download the excel file containing the fees for that health fund from our website at the link below:

https://au.acsshealth.com/healthfundfees/

**Note:** Be sure to download the appropriate file based on your state (if applicable) and Gap or No Gap (if applicable).

Once downloaded, browse for the file using the **Browse** button, select the file, and hit **Save**.

Change Fee By		Upload File	
Importing an excel file	~		Browse
		Template File	
		2 Save	Cancel

This will replace the Current fees of all items for the selected health fund with the latest fees released by the health fund, from the Excel sheet uploaded.

That's it! You have successfully updated the fees for the health fund. Repeat the process for as many funds as necessary.

## **<u>Clinic Billing - Overseas Patients</u>**

Need to bill an overseas patient? Read on to learn how.

#### **Step 1: Bill manual invoice**

Overseas claims are received and processed manually. This means you cannot bill such claims through eclipse for electronic lodgement. Therefore, you'll need to create and send a manual invoice.

#### Note: Ensure the Bill Type is set to: Private and the Type is set to: Health Fund

Location			
Eccles			~
Practitioner			
CELES, Peter			~
DOS		Hospital	
31/12/2020	In Hospital		~
Bill Type		Туре	
Private	~	Health Fund	~
Fee Level		Known Gap	
Level 3 - BUPA	V	Known Gap 0.00	

#### Step 2: Print manual invoice to PDF

Note sure how to print invoices? Click here to learn how

# Step 3: (Conditional - If claim is for Medibank or AHM) complete the corresponding claim form and save it to your computer

- Medibank <u>click here</u> to download claim form
- AHM <u>click here</u> to download claim form

# Step 3: (Conditional - If claim is for BUPA, ) complete BUPA batch header form and save it to your computer

- <u>Click here</u> to download batch header form
- $\circ\,$  Enter the practice name as the location of the service and the  $practice \; id$  as the doctor's BUPA FundPayeeId

If you have previously entered the doctor's FundPayeeId into FYDO, you may find it by going to **Settings > Doctors**:

Location	Eccles	V Clinic
Department		×
Provider	Date of Birth	Age
Payee Provider		Fund Payee ID 12345 ?
Dr ABN		

#### **Step 4: Send off the documents**

- Once you are ready to send off the invoice, contact the health fund and ask what email address they would like the manual claim sent to, as well as whether they require any other supporting documents
- Need their contact details? Follow the link below:

#### https://wiki.fydo.cloud/medicare-and-fund-contacts-dealing-with-rejections/

#### Step 5: Follow up & pay off the invoice

- We'd recommend you call the health fund a couple of business days after you email them to ensure your email has been received and will be looked at in the coming days
- After this point, you may wish to follow up every couple of weeks, inquiring whether or not your invoice has been paid
- Once the invoice has been confirmed to be paid, pay it off on FYDO

That's it! That's how to do overseas billing for patients.

### How to Resend a "Sent" Clinic Batch

From time to time, you may need to resend an already sent batch. But before we discuss how you'd do this, let's first discuss why you may need to resend a batch.

#### In almost all cases, you'd need to resend a batch if it either:

• Has not yet been paid / rejected within the expected period (up to 2 business days for Medicare/ DVA claims and up to 4 weeks for health fund claims). You've then called the health fund, Medicare, or DVA, and found out they have not received the claim. Thus, they've asked you to resend it

• Has been partially or fully rejected and you can rectify the cause of rejection without rebilling

#### You do not want to resend a batch if:

- It is rejected and you wish to resend it as it is, without making any changes to the original claim. Since, if nothing changes about the claim, it will likely be rejected again
- If you have not first spoken with the body receiving the claim. It is always recommended that you first contact the organisation receiving the claim and inquire. This is because you do not want to send a duplicate claim if you do not need to. In most cases, this is not a major concern. However, it could cause problems such as a rejection of both claims (the original and the duplicate) or increased processing time if a duplicate claim is received

With that addressed, if you still need to resend an already sent claim, read on.

Start off by going to **Claiming Medical**.

If the batch **Status** is *Sent* or *Processed*, you may right-click on the batch and select **Reset Batch Status**.

Status	\$	KG	Paid
Closed			0.00
Proces	sed		361.85
Proce	Ar	ply Payment	800.50
Proc€	Re	eset Batch Status	747.25
Proces	sed		829.75
Processed		931.25	

This will make the batch status revert to *Closed*, allowing you to resend the batch with the **Send Batch** button.

Status	KG
Closed	View Batch Details
Process	Apply Payment
Process	Send Batch
Processee	Edit Payment

Otherwise, if the batch **Status** is *Payment Received* with a partial or full rejection, double click on the batch to open it up, revealing the invoice(s) inside.

If you wish to resend the invoice in its entirety (with all items inside), simply right-click on the desired invoice and click on **Move Invoice Out**.

CLAIM DETAILS	> BATCH [	DETAILS			
Location Practitioner Provider Type	Eccles (ID: CELES, Pe	1) ter (ID: 24)			
Category	Specialist				
Category	opecialist				
Patient Name I			MRN	DOS	Inv
BURDETTE, Pamela		Delete Invoice	117	30/12/2020	25
JACKSON, Jade		Edit Invoice	109	06/11/2020	19
PAM, Cara		Move Invoice Out	116	05/11/2020	20
		Patient Screen			
		<u>V</u> iew Items			

Otherwise, if you wish to resend only a part of the invoice (1 or more items but not all), double click on the invoice, revealing the items inside.

CLAIM DET	AILS > BATCH DETAILS > ITEM DETAIL	S
Location	Eccles (ID: 1)	Batch ID 4
Practitioner	MERION UNIT, Nursing (ID: 22)	Batch Number
Provider	0	Date Closed 30/12/2020
Туре	Veterans	Batch Status Closed
Category	Community Nursing	Transaction ID
Referring Dr	SMITH, John - 0653147B	Invoice Text
Referral Date	01/09/2020 - 99 months	Referral Flag

ID	Code	DOS	Description Rule		Claimed	GST
1	NP01	29/09/2020	Personal Care Core Schedule	e - Short,	171.49	15.59
				Edit Item		
2	NL01	29/09/2020	Clinical Care Core Schedule - term support 1 to 2	Move Item	107.53	9.78

Then, right-click on the item you wish to resent and select **Move Item**.

This will present you with the below pop-up window; and as you can see, it will move the invoice/ item to the current batch.

Current batch:

- If it is a **Medicare** or **DVA** invoice: it will be moved into the *Open* batch for that provider. If no open batch is present, a new one will be created
- If it is a **Health Fund** invoice: it will be moved into a new *Closed* batch.

From here, you may close the batch if it is not yet closed and send it by right-clicking the batch and selecting **Send Batch**.

Move Invoice		×
Are you sure you want to move the This is not reversable.	nis invoice into the	current batch?
	ОК	Cancel

## **Deceased Patient Clinic Billing**

Need to bill Medicare, DVA, or a health fund for a patient that is now deceased?

You can always attempt to send the claim electronically. However, in most cases, you will need to create a manual invoice and send it manually, for manual review.

So, here's one thing you can do before you decide whether or not to send the claim electronically. Run the *Online Patient Verification check* with the **As At** field date set to the latest *Date of Service* you wish to bill the deceased patient for.

Eligibility Screen						
Туре	Health Fund	*		As at	19/02/2021	Î
Last Medicare Check	-	Last Health Fund Check	< _			
	Check					

If the check returns an eligible patient (noted with a green box around the Medicare and health fund card numbers), you may consider sending the claim electronically, as you're used to. However, this does not guarantee the claim will be paid.

Medicare/DVA Details		
Medicare Number	2111-1111-1	
Eligibility	Eligible - Australian Resident	
Veterans No.

Entitlement Card	•	~

To learn how to create a manual invoice, click on the link below:

https://wiki.fydo.cloud/How-to-create-a-manual-invoice

### **How to Delete Clinic Invoices**

Needing to remove an invoice? There are two places where you could do so:

- 1. Via the Patient's Record, or
- 2. Via the **Batch** in **Claiming Medical**

Additionally, there are two use cases for deleting invoices:

- 1. Deleting the entire invoice (all items held)
- 2. Deleting a part of the invoice (1 or some items deleted, but not all)

Let's take a closer look at both options and use cases.

#### **Deleting through the Patient's Record**

Begin by opening the patient record of the patient in question and click on the Accounts button.

Patient Details	Other	Appointments	Recalls	Accounts	Episodes	Communication	Documents

This button reveals a patient's billing/ treatment history where **each line is an invoice**:

Patient Det	ails Other	Appointments	Recalls	Accounts	Episodes	Communication	Documents
Account Status	All	···· <sub>2</sub> 🐦	Service Type	All		◆ From	🗰 То
<u>Inv#</u> †	Date of Service	Doct	tor		Servi	се Туре	Inv Amount
4	25/08/2020	Cha	ndra, Pete		Medi	care	\$ 134.30
3	25/08/2020	Cha	ndra, Pete		Medi	care	\$ 38.75

So from here, simply double click on the invoice you wish to delete.

×

This will open up the invoice, revealing the item numbers inside.

From here, you may simply right click on the desired item and select **delete**, enter a reason, and hit **OK** to delete the item.

You may repeat this step for as many items as you need to delete.

*Note:* Deleting the final item in the invoice will effectively delete the entire invoice.

						Invo	ice Detai	s					×
Invoice Nun	nber 3				Loc	ation Ec	cles (ID:1)						
Service 1	Type N	ledica	re - Outpatier	t	Servicing De	octor Ch	andra, Pet	e (ID: 3)

Invo	iced \$	38.75			Bato Ca	th ID 0		Batch #	Batch	Status Open Show v	oided transactions	Print Invo	iice +
Date of Service	Acc Pe	riod	Item Code	Item Description		Unit Pri	ce QTY	GST	Charge inc GST	Audit Date	User	Status	
25/08/2020	25/08/2	020	23	Professional attendance practitioner at consult	e by a general	\$ 38.	75 1	\$ 0.00	\$ 38.75	25/08/2020 02:02 PM	Amir Balouchi (ACSS)		• (

Alternatively, you can delete invoices from the **Claiming Medical** section of FYDO, found under the **Claiming** tab.

#### **Deleting through the Claiming Medical**

Place your mouse over the Medical tab (\$ Sign) and select Claiming Medical.

You will now see all your batches. So select the batch holding the invoice(s) you wish to delete.

This screen is where **invoices** created go. They go inside a batch that is then **sent** from this screen.

*Note:* this does not apply to **Private** invoices. These are invoices with the *Bill Type* set to *Private* in the billing screen.

So you may double click on the batch holding the desired invoice to be deleted.

Location		Provider				Туре		Statu	5
All locations	•••• <sub>2</sub> 🗸	All Provide	rs		~	All Types	*	8 iter	ns checke
Туре	ID	Batch #	Qty	Date †	Prov	vider	c	laimed	Status
Medicare	0		3		CHA	NDRA, Pete		480.40	Open
Medicare	0		3		СНА	NDRA, Pete		480.40	Оре

You will now see the invoice(s) inside the batch.

×

**Import note:** Pay attention to the number of items in the invoice in question.

• If you wish to delete all of the items within the invoice, simply right click on the invoice here, and select **Delete Invoice** 

CLAIM DETAILS	> BATCH DETAILS

### **How to Create a Manual Clinic Invoice**

rooms or hospital, by

From time to time, you may need to bill a *manual invoice*. Other terms for this type of invoice include: private invoice or paper based invoice.

When would you need to bill a manual invoice? In the event a patient is a private patient and thus will be paying for services rendered directly. Or perhaps when the patient does not have medicare entitlements (such as overseas patients) and the invoice will need to be sent to their health insurance. Additionally, you may need to send the health funds a manual invoice where manual assessment is required; such as when you are seeking an adjustment.

Now that you know when you'd need to create a manual invoice, let's jump right into it.

Start off by opening the patient's record and click on the blue "Bill Patient" button.

Bill Patient

#### You can also use the hotkey 'B'!

This will take you to the **Clinical Billing** page, where you'll need to select the:

- Location: the location where the service took place. If you only have one, it will be defaulted
- Practitioner: the practitioner who performed the service. If you only have one, it will be defaulted
- DOS: date of service
- **Bill Type:** Private
- Type: 'Patient' If the invoice is being sent to the patient, or 'Health Fund' If the invoice is

#### being sent to the patient's Health Fund

MRN 117		Patient	BURDETTE, Pamela	
Location

Bill Type		Туре		
Private	~	Patient		~
Fee Level		Employer	E	
Level 3 - BUPA	*	Health Fund	H	
		Other	0	

#### Referrals

The last step before we can begin billing is to enter any needed referral information. If this does not apply to you, click on **Add Items** and proceed to the next section.

Otherwise, simply fill out the **Referral** section as seen below. If you only have one referring doctor for this patient, they will be automatically selected here (provided it has not expired).

Referral		
Referral Flag		
	~	
Previous Referrals		
	×	
Referring Doctor	ADD REFERRING DOCTOR	Referral To
TESTER, Marko x		TESTER, Dr Bill x
Referral Date Period	First Consult	Site Referral (global)
19/05/2020 12		
ADD ANOTHER REFERRAL		

Once you are done with the above segments, click on the green **Add Items** button in the bottom left corner of your screen.

You will arrive at the **Clinic Billing** page. Here we can see a brief overview of previous information for the patient, and where we can bill an invoice.

It is as easy as typing in the item you need and selecting it. There are two different ways to search for the item as shown below:

- Search for the item number itself.
- Search for a word in the description. This can either be at the start, or anywhere within the description!

DOS	ltem	Description	
17/08/2020	I I		

Once you have entered all your items and payments as desired, click on the **Review Charges** button to proceed to the final page of billing.

#### (Conditional) Applying Payment at the billing process

If the patient is paying the invoice, you can add payments captured from the patient onto the invoice using the **Add Payment** button.

Otherwise, if you are sending the invoice elsewhere to be paid. Skip this step for now and proceed to **'Clinic Review Charges'**. You will be able to add payment against the invoice later, once it is paid.

The above button will present you with a pop-up to enter the payment information. The total invoice amount will be prefilled in the **Amount** field.

So.	vou mav	simply	allocate the	pavment	type ar	nd hit save	as below:
00,	you may	ompiy	anoouto me	paymone	uj po ui	iiu iiit buvo	uo 2010

Amount	196.70	Y	Apply Gap
Drawer Reference	BAKERR, Maryro	osee	N
Bank Branch			43
		Save	Cancel
		Cure	ouncer

#### **Clinic Review Charges**

You may notice that this page looks nearly identical to the previous **Clinic Billing** page. The only real difference is that you can no longer add or change items, and there are additional buttons at the bottom.

You will also be able to see the **Total Charges** for the items you have billed like so:

Total Charges	\$196.70	Total GST	\$0.00
Total Rebate	\$173.05	Out of Pocket	\$23.65

Lets go over the options on this screen:

**Edit Item And Charges:** Realised you have made a mistake? Click this button to go back to the previous page and fix it up!

Cancel: Cancel out of this billing. This will take you back to the Patient Screen.

Save: Saves this invoice.

Save & Print: this saves and prints the invoice.

That's it! You've successfully created a manual invoice; and if you've paid it off on the spot, there is nothing else that you need to do.

Otherwise, assuming you've sent the invoice to a health fund, you will need to follow up with them every couple of weeks to see whether or not it is paid. Once it is paid, follow the steps below to pay it off on FYDO.

#### **Applying manual payments**

Your manual invoice is paid now? <u>Click here to learn how to apply a manual payment to it.</u>

## **<u>Resubmitting and Deleting Clinic Batches</u>**

Sometimes you may need to **Resubmit** or **Delete** a batch depending on rejections.

You will only be able to move or delete a batch if the invoices within do not have payments

#### **Resubmitting a Batch**

To Resubmit a Batch you will first have to move each **invoice** within to a new batch. We can then go ahead and send that new batch.

- 1. View the batch in question so you can see the invoices within
- 2. Right click and select 'Move Invoice Out'
- 3. Confirm the move

Patient Name i	MRN	DOS	Inv	KG	Claimed	Items	
CAREY, Mariah	107	30/12/2020	89		173.05	2	
CAREY, Mariah	107	30/12/2020	92		38.75	1	

If you head back to **Claiming Medical**, you will now notice a new batch that contains any invoices that were moved. Simply follow the usual process for closing and sending this batch.

For Eclipse claims, you will still only be able to have one patient per batch.

#### **Deleting a Batch**

To Delete a Batch, you will have to either **move** or **delete** each invoice within. Then the batch will simply disappear.

- 1. View the batch so you can see the invoices within
- 2. Right click and select 'Delete Invoice'
- 3. Provide a reason and select **Delete**

This is an internal reason just for your future reference.

Patient Name i	MRN	DOS	inv	KG	Claimed	Items
CAREY, Mariah	107	30/12/2020	89		173.05	2
		Þ				

You can also use **Reverse.** This produces an adjustment against the invoice, rather than just deleting it.

## **<u>Rejected Clinic Batches</u>**

Once you have done some billings, you may notice that payments have come back for a lower amount, or perhaps you have received no payment at all!

#### **Identifying batches with issues**

The easiest way to spot if a batch had an issue, is to simply look at the **Paid** column. If you see any amount in **Red**, then some action will be required.

Claimed	Status	KG	Paid	PaidDate
43.60	Processed		33.50	
63.25	Processed		63.25	
63.70	Processed		63.70	
63.70	Processed		63.70	
41.55	Processed		41.55	
43.60	Processed		0.00	
43.60	Processed		0.00	
63.25	Processed		63.25	
66.35	Processed		51.00	

We can see in the image above, that we have two batches that are **partially paid** (Less than what we claimed). We also have two batches that are just **Rejected** (\$0.00 Paid).

#### **Dealing with the Batches**

First, double click on the batch to view inside. You can also right click and select **View Batch Details** if you prefer.

Once you can see a list of patients within a batch, the thing to keep an eye out for is an icon in the **Issue** column.

Claimed	Items	Issue	IH Note
43.60	1	0	Y

You may have one, or multiple patients with an issue. Any patient with a Rejection or Partial

Payment will have the above icon.

#### Viewing the Rejection Reason

Now that we have identified which patient(s) have an issue. It's time to see what the issue actually is.

Again, lets double click on a patient, or using the right click menu, select **View Items**.

Payable	MedExc	MedPay	FundExc	FundPay
0.00	999 - Missing exception code from exception statement	0.00	2001 NO HOSPITAL CLAIM (PEA)	0.00

In the above case, this is a fairly easy rejection to identify the issue. We have the error code **2001 No Hospital Claim (PEA)**. From this we can deduce that the hospital has not submitted their invoice yet, and as such we cannot be paid. Our options are to just wait and try to resubmit, or you could confirm with the hospital when they are sending their claim.

One of the most common issues is that you have been paid a different amount to what you claimed. This could happen for a number of reasons such as:

- Fee Changes by Medicare/Health Funds
- Doctors agreement with a fund
- Old date of Service

Charge inc GST		GST	Payable
66.35	?	0	51.00
GST applicable			

To amend this, simply right click on the item and select **Edit**. Alternatively use the hotkey '*E*'. Then just alter the **Charge inc GST** to be equal to the **Payable** amount, as shown above.

#### Contacts

Not all rejections will be as simple as the ones above. In a case where you are not sure what a rejection reason means, or why something has not been paid, it is best to contact the organisation who rejected it.

We have a <u>complete list of phone and email</u> for medicare and the health funds.

### **How to Bill Patient Clinic Claims**

Ready to bill through the **Patient Claims** billing channel? Follow along to learn how.

Need to learn more about Patient Claims first? <u>Click here</u> for more.

To get started, from the **Patient Record**, we are going to click on the **Bill Patient** button.

**Bill Patient** 

#### You can also use the hotkey 'B'!

This will take you to the **Clinical Billing** page, where you'll need to select the:

- Location: the location where the service took place. If you only have one, it will be defaulted
- **Practitioner:** the practitioner who performed the service. If you only have one, it will be defaulted
- **DOS:** date of service
- Bill Type: Patient Claims
- Type: 'Store & Forward', or 'Real Time' more on this below

Location				
Eccles				
Practitioner				
CHANDRA, Pete				*
DOS			Hospital	
17/08/2020	(iii)	🗌 In Hospital		~
Bill Type			Туре	Required
Patient Claims			*	¥
Fee Level			Real Time	RT
Level 1 - MBS			✓ Store & Forward	SF

#### Store & Forward vs Real Time

The primary difference between these two types of Patient Claims is that:

- With **Real Time**, your invoices are sent to Medicare *in real time, as they are created*. That is, they do not go into a batch that you then manually send off at the end of the day. They do end up in a batch however.
- Whereas with **Store & Forward**, invoices enter a batch for later transmission. This is how all other Bill Types such as Eclipse, Medicare, and DVA behave.

#### Some things to note about Real Time

- Should you need to delete an invoice after creating it, you have until the close of business that day to delete it, via the software. This is called '**Same Day Delete**'
- However, if you realise you need to delete an invoice the next day or later, you will now need to contact Medicare and ask them to delete/ ignore the invoice on their end
  - $\circ\,$  If you realise you need to delete an invoice and it has already been paid, again, you will need to contact Medicare and process a refund.

#### Referrals

The last step before we can begin billing is to enter any needed referral information. If this does not apply to you, click on **Add Items** and proceed to the next section.

Otherwise, simply fill out the **Referral** section as seen below. If you only have one referring doctor for this patient, they will be automatically selected here (provided it has not expired).

Referral				
Referral Flag			*	
Previous Referrals			*	
Referring Doctor			ADD REFERRING DOCTOR	Referral To
TESTER, Marko x				TESTER, Dr Bill x
Referral Date F 19/05/2020	Period 12 ERRAL	First Consult		Site Referral (global)

Once you are done with the above segments, click on the green **Add Items** button in the bottom left corner of your screen.

You will arrive at the **Clinic Billing** page. Here we can see a brief overview of previous information for the patient, and where we can bill an invoice.

It is as easy as typing in the item you need and selecting it. There are two different ways to search for the item as shown below:

- Search for the item number itself.
- Search for a word in the description. This can either be at the start, or anywhere within the description!

I	

Notice that for **Patient Claims**, the **Date of Service (DOS)** can be changed in an invoice.

#### **Applying Payment**

Once you have added all your desired items, you can add payments captured from the patient onto the invoice using the **Add Payment** button.

This will present you with a pop-up to enter the payment information. The total invoice amount will be prefilled in the **Amount** field.

So, you may simply allocate the payment type and hit save as below:

	Payment		×
Accounting Period	17/08/2020		]
Туре		~	
Amount	196.70		Apply Gap
Drawer	BAKERR, Maryro	osee	
Reference			
Bank			45
Branch			
		Save	Cancel

Once you have entered all your items and payments as desired, click on the **Review Charges** button to proceed to the final page of billing.

**Review Charges** 

#### **Clinic Review Charges**

You may notice that this page looks nearly identical to the previous **Clinic Billing** page. The only real difference is that you can no longer add or change items, and there are additional buttons at the bottom.

You will also be able to see the **Total Charges** for the items you have billed like so:

Total Charges	\$196.70	Total GST	\$0.00
Total Rebate	\$173.05	Out of Pocket	\$23.65

Lets go over the options on this screen:

Edit Item And Charges	Cancel	Sav	е	Save & Print	

**Edit Item And Charges:** Realised you have made a mistake? click this button to go back to the previous page and fix it up!

Cancel: Cancel out of this billing. This will take you back to the Patient Screen.

Save: Save this invoice, send it to the Claiming Medical section, ready to send.

If **Save & Print** is selected, it will also be printed.

You're all done! You have successfully billed a Patient Claims invoice. Now, head over to '**Claiming Medical**' and send it off.

Not sure how to send off your claims? <u>Click here</u> for more on Claiming Medical.

### **What is Patient Claims (Clinic)**

#### In a nutshell

Patient claims is where the practice sends off the patient's claim on their behalf so that they can **receive their medicare rebate** 1-2 business days later. The patient could pay in full, partially, or nothing at all.

You would use this claiming channel when the practitioner charges above the medicare schedule. You would not use this claiming channel if you are happy to receive the medicare/bulk bill amount.

This claiming channel is useful because whilst it would be easier to bulk bill the patient, and then charge a copayment, this is illegal.

Patient Claims is desirable for the practice because:

- The practice may be **paid in full**, **on the spot**
- The practice decides what they would like to charge
- Multiple dates of service **per invoice** supported
- May avoid the **90 day scheme**, more on this below

#### 90 day scheme

When an unpaid or partially paid claim is sent to medicare, the patient receives a Pay Doctor Via

Claimant (PDVC) cheque and they are expected to forward this cheque to the practitioner.

- The cheque will be in the the doctor's name, so the patient cannot bank this money
- The 90 day scheme is a measure in place to redirect the funds directly into the doctor's bank account, in the event that the cheque is not banked by the doctor within 90 days
- However, this is only eligible for gps and specialists, and is not applicable to allied health practitioners

#### Eligible health professionals

×

#### **Ineligible practitioners**

Allied health professionals, optometrists and dentists aren't eligible to participate in the scheme.

Want to learn more about the 90 day scheme? <u>Click here</u> to read more.

*Important note:* for this billing channel, you will send claims, assuming they will get paid as no communications are sent back. This is owing to a Medicare limitation that only allows for one-way communication. That is, you can send claims but will not receive any:

- Exception statements, or
- Payment statements

#### **Medicare Easyclaim**

Easyclaim is another billing alternative for bulk billing and patient claims. It may be a stand-alone process via an EFTPOS machine or integrated into your billing software.

Note: FYDO does not currently support Easyclaim

#### **Key features**

- The patient receives their Medicare rebate almost immediately into their bank account
- No additional bank transaction fees. However, standard EFTPOS charges still apply
- May be used for bulk billing and patient claims
- Single payment made to practitioner's nominated bank account for bulk billed claims within 2-3 working days
- Concession verification instant confirmation of patients' concessional status
- Available to all allied health professionals
