Additions to Mandatory Fields

Gender has been added as a mandatory requirement for WA, VIC and TAS submission. If the 'On admission, make patient fields mandatory' feature is enabled in your System Configuration, a

warning will pop up if this is missing from the patient screen on admission.

The image shows two screenshots. The top screenshot is a settings menu with several options, each with a checkbox. The option "On admission, make patient fields mandatory" is checked and highlighted with a red box. A red arrow points to this option. The bottom screenshot is a dialog box titled "Mandatory Fields". It contains the text "The following is missing from the patient screen:" followed by a bulleted list with "Gender". Below this, it says "Please go back to the patient screen and enter missing information". At the bottom right, there are two buttons: "Go to Patient screen" (green) and "OK" (grey).

Additions to the Unbilled Revenue Report

The **Provisional DRG** feature in the Edit Appointment screen can now be utilised for **inpatients** with DRG-based health fund contracts to generate more accurate revenue predictions.

The screenshot shows the 'Unbilled Revenue' report interface. It includes filter sections for Location (Hospital & NSW), Fund (MEDIBANK PRIVATE LIMITED), Episode Type (Admitted and Discharged), Ward (All Wards), Report Type (Summary), Patient Category (Inpatient), and Admitting Doctor (All Admitting Doctor). The report is for ACSS Michelle Staging, as of 26/06/2024, for Admitted and Discharged episodes, with funds from MEDIBANK PRIVATE LIMITED and all wards and patient categories set to Inpatient. The data table below has columns for Patient, MRN, Adm Date, Fund, Admitting Dr, Dr Speciality, Type, LO, Coding, Total, Accom, Theatre, Casebase, DRG, and Other. The DRG and Coding columns are highlighted with red boxes in the original image.

Billing Alert for HCF/BUPA Backdated Claims

When billing a patient whose health fund cover is with HCF or BUPA, if the date of service is 3 months prior to the fee levels threshold date, the below alert message will pop-up.

Older claims – BUPA / HCF

Since the date of service is 3 months prior to 'Level 17 - HCF KNOWN GAP' threshold, you may want to check if you should be using different rates, to avoid possibly getting paid the Medicare rate.

We have introduced this alert message to help avoid preventable rejections and underpayments due to incorrect fees being used for backdated claims.
