The **Ready for Discharge/Ward** field, on the **Theatre Screen**, has been amended to accommodate an additional option. Users now have 2 fields that they can utilise for **Ready for Ward** and **Ready for Pick Up**.

The screenshot shows the 'Theatre Screen' interface. A red box highlights the 'Ready for Ward' and 'Ready for Pick Up' fields under the 'Recovery 1' section. A red arrow points to these fields. The interface includes various patient information fields like MRN, DOB, Sex, FileNo, Fund BUP, and Location. It also has sections for 'Theatre Visits' and 'Theatre Information'.

Episode Stats Report

For improved fluency and ease of reading, the Health Fund details on the **Episode Stats (Detail) Report** will now be indicated by the **Fund Code**, instead of the full Health Fund name, which caused the episodes to span multiple lines

The screenshot shows the 'Episode Stats (Detail) Report' for Shaes Private Hospital. A red box highlights the 'Fund' column in the table, and a red arrow points to it. The table lists patient information including MRN, Adm No., Patient Name, Sex, Procedure, Theatre, Fund, Surgeon, Adm Date, and Dis Date.

The screenshot shows the 'Claim Details' form. It has two main sections: 'Bill To' and 'Other'. Both sections contain fields for Biller ID, Type, Contact, Address, Suburb, State, and Postcode. A red box highlights the address fields in both sections. The form also includes a 'Copy Previous Episode' dropdown and a 'Claim #' field.
