Set up your patient and ready to bill? Read ahead to find out how to submit claims to **Health Funds** via **Eclipse**.

**Important Note:** If you have not submitted an **Online Patient Verification (OPV)** yet for your patient, or you do not know how, see our wiki page [here!](#)

To get started, from the **Patient Record**, we are going to click on the **Bill Patient** button.

**You can also use the hotkey 'B'!**

Bill Patient

This will take you to the **Clinical Billing** page

The screenshot shows the Eclipse Clinic Billing form. At the top, it displays 'MRN 3442' and 'Patient TEST, Bill'. The form contains several fields with highlighted areas: 'Location' is set to 'TEST'; 'Practitioner' is set to 'TESTER, Bill'; 'DOS' is set to '13/08/2020' with a calendar icon; 'Hospital' is set to 'Fydo Test Hospital'; 'Bill Type' is set to 'Eclipse' (highlighted with a red box); 'Type' is set to 'Agreement' (highlighted with a blue box); 'Fee Level' is set to 'Level 5 - ahsa nsw' (highlighted with a green box); and 'Known Gap' is set to '0.00'. There is also an 'In Hospital' checkbox which is checked, and a 'Known Gap' checkbox which is unchecked.

While you may notice that there are more fields than shown above, for **Eclipse** we will only be focusing on a few.

Please note that most of these fields are drop down menus.

- **Location:** The Location the service took place. If you only have one it will be defaulted.
- **Practitioner:** The Practitioner who performed the service.
- **DOS:** The Date of Service.
- **In Hospital:** A tick-box to indicate if this service was performed in a Hospital, this is required for **Eclipse**

The main fields to ensure are correct for **Eclipse** are the highlighted ones above, and outlined below:

- **Bill Type:** The type of billing; be sure to select **Eclipse**
- **Fee Level:** Which fees this billing will use. Will default based on the patients record.
- **Type:** Needs to be set to either **Agreement** or **Scheme** depending on the fund.

The last step before we can begin our billing is to enter any needed referral information. If this does not apply to you, skip to the next section: **Adding Items**

Otherwise, simply fill out the **Referral** section as seen below. If you only have one referring doctor for this patient, they will be automatically selected here (provided it has not expired)

If you don't see a **Referral** you have added, be sure to check the **Previous Referrals** drop down menu!

## Clinic Billing

You will arrive at the **Clinic Billing** page. Here we can see a brief overview of previous information for the patient, and where we can bill an invoice.

Billing is as easy as typing in the item you need and selecting it. There are two different ways to search for the item as shown below:

- **Search for the item number itself.**
- **Search for a word in the description. This can either be at the start, or anywhere within the description!**

Don't forget, for **Eclipse** you can easily change the Date of Service within the invoice by using the handy calendar!

DOS	Item	Description
11/08/2020		

Once you have entered all your items as desired, click on the **Review Charges** button to proceed to the final page of billing.

## Clinic Review Charges

You may notice that this page looks nearly identical to the previous **Clinic Billing** page. The only real difference is that you can no longer add or change items, and there are additional buttons at the bottom.

You will also be able to see the **Total Charges** for the items you have billed like so:

<b>Total Charges</b>	<b>\$94.75</b>	<b>Total GST</b>	<b>\$0.00</b>
Total Rebate	\$94.75	Out of Pocket	\$0.00

There are a few different options on this screen:

- **Cancel:** Cancel out of this billing, this will take you back to the **Patient Screen**.
- **Save:** Save this invoice, prompting the final confirmation before it is send to **Claiming - Medical**. If **Save & Print** is selected, it will also be printed.

Upon selecting one of the two save options, you will see the final stage of the billing, the **Claimant Screen**.
