# Editing, deleting, and inactivating referrals

Made a mistake when creating the referral? No problem. Read on to see how to edit or delete referrals.

Start off by opening a patient's record. Below is an example of the referral section of a patient's record.

- **Add another referral**: FYDO allows you to have multiple referrals for a given patient. Use this button to add another referral
- **Edit referral**: this button allows you to make changes to any of the data fields of a given referral
- **Delete this referral**: this button will remove the referral
- **Active**: untick this checkbox to make the referral inactive
