## Payments (Clinic) Report

We have added new **Report Type** options to the **Payments (Clinic)** report, **Summary** and **Summary (Categories)**. The new options allow users more flexibility to tailor the report to their specific needs.

The screenshot shows the 'Payments (Clinic) Report' form. A red arrow points to the 'Report Type' dropdown menu, which is currently set to 'Detail'. The dropdown menu is open, showing three options: 'Detail' (highlighted in blue), 'Summary' (highlighted in yellow), and 'Summary (Categories)' (highlighted in yellow). Below the dropdown menu, there are two date pickers labeled 'From' and 'To', both set to '06/01/2023'. There are also two checkboxes: 'Run report for each Department' and 'Run report for each Doctor', both of which are unchecked. A blue 'Update' button is located at the bottom right of the form.

## Bug Fixes

The issue with custom views disappearing from the appointment book has now been rectified.
