

# FYDO Clinic Update 17/04/2023

## Revenue Report

Users are now able to export the Revenue report in **Excel - Raw Data** format.

## Report Holding Bay

When committing a report to a patient's file, users no longer have to link a doctor before being able to commit the report.

## Adjustments Permission

We have introduced a new permission to **User Groups** for **Adjustments**. Users can now be restricted/or allowed access to edit, add or remove adjustment types. By default, this permission is set to **Deny**. To modify this permission, go to **Settings > User Groups >** Double click on the group you wish to change permissions for > **Edit** > Under **Settings Clinic** select the required level of access > **Save**.

## Bug Fixes

Issue with the **Invoice Stats** report showing incorrect owing amounts has been rectified.
