

FYDO Clinic Update - 17/05/2024

Patient Screen Amendments

Following the launch of our **New Patient Screen**, we received some wonderful feedback that has helped us enhance it even further:

- In **View Mode**, each field is **outlined**.
- In **Edit Mode**, each field is both **outlined** and **shaded**.
- In **Edit Mode**, the selected field is indicated with a **blue outline**.

The image displays two versions of a patient information form. The top version is in 'View Mode', showing a patient named Snow WHITE with details like Patient ID 153, Sex Female, Age 24, and a pending balance of -5,331.00. The bottom version is in 'Edit Mode', where the same form is shown but with fields shaded for editing. A red arrow points to the 'Date of Birth' field, which is highlighted with a blue outline in Edit Mode. The interface includes tabs for Patient Details, Appointments, Recalls, Accounts, Episodes, Communication, Documents, and Clinical. A sidebar on the left contains icons for home, patient list, appointments, financials, and other functions.

Transactions Report - Additional Data to Raw Data Export

The **Batch Status** of an invoice will now be included in the Transactions Report when exported in Raw Data format.

AA	AF	AC
BatchID	Batch	Batch Status
40	A000013	Sent
40	A000013	Closed
40	A000013	Closed with Issues
40	A000013	Sent

Bug Fixes:

- Some users were experiencing issues uploading documents. This has now been resolved
