## Patient Screen Amendments

Following the launch of our **New Patient Screen**, we received some wonderful feedback that has helped us enhance it even further:

- In **View Mode**, each field is **outlined**.
- In **Edit Mode**, each field is both **outlined** and **shaded**.
- In **Edit Mode**, the selected field is indicated with a **blue outline**.

## Transactions Report - Additional Data to Raw Data Export

The **Batch Status** of an invoice will now be included in the Transactions Report when exported in Raw Data format.

## Bug Fixes:

- Some users were experiencing issues uploading documents. This has now been resolved
