

# FYDO Clinic Update 18/09/2023

## Appointments Screen Custom View Addition

Users will now be able to create custom views that display the patient's **Preferred Name** on the Appointment Screen.

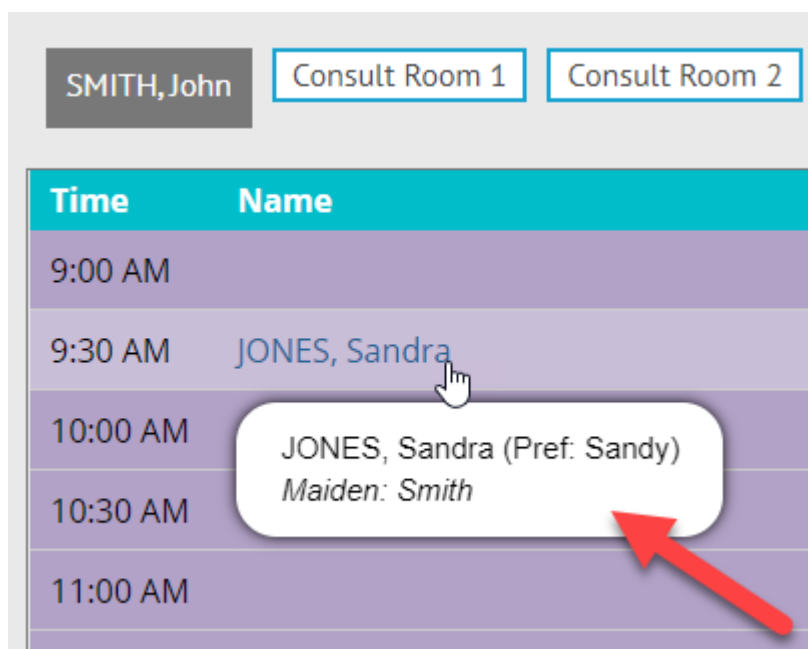

The screenshot shows the top of the Appointment Screen with filters for 'SMITH, John', 'Consult Room 1', and 'Consult Room 2'. Below is a table with columns: Time, Name, Pref Name, and Arrived. A red arrow points to the 'Pref Name' column header and the 'Sandy' entry in the 9:30 AM row.

Time	Name	Pref Name	Arrived
9:00 AM			
9:30 AM	<u>JONES, Sandra</u>	Sandy	12:11 PM
10:00 AM			
10:30 AM			
11:00 AM			

## Patient Name Hover Additions

When users hover over the patient's name, they will now be able to see the patients **Preferred Name** & their **Maiden Name**.

The screenshot shows the same Appointment Screen as above. A mouse cursor is hovering over the name 'JONES, Sandra' in the 9:30 AM row. A tooltip box appears, displaying 'JONES, Sandra (Pref: Sandy)' and 'Maiden: Smith'. A red arrow points to the tooltip.

Time	Name
9:00 AM	
9:30 AM	JONES, Sandra
10:00 AM	
10:30 AM	
11:00 AM	

JONES, Sandra (Pref: Sandy)  
Maiden: Smith

## Bug Fix

- The issue some users were experiencing with being unable to reallocate payments has been resolved.
