

# FYDO Clinic Update 20/03/2023

## 2 Step Authenticator App

FYDO will now show which users are utilising the 2 Step Authenticator App with a green tick in **Settings > Users**. This allows the facility to view which users have chosen to use the Authenticator App option.

As per FYDOs Security Policy, all users are required to undertake the 2 Step Authentication process, however users without the green tick would be utilising the SMS or Email option for this feature instead of the App.
