

# [FYDO Clinic Update 21/10/2022](#)

## **Archive Batch**

We have introduced a new option called "Archive Batch" in the "Claiming Medical Screen". This option allows users to archive a patient claim from the "Claiming Medical Screen" without removing it from the patients "Accounts" history.

## **Doctor/Room Pop Up**

On the "Appointments" screen if you hover your cursor over a Doctor/Room tab it will pop up below with the Roster/Block information.

## **Processing and Payment Reports**

Users can now search by payor, remittance id, servicing and payee doctor on the "Payments" screen.

## **Bug Fixes**

Some users were experiencing loss of information on new letters not yet saved. To prevent this from happening, we have introduced an Autosave feature that will Autosave a letter every couple of minutes and a few seconds after typing is stopped. The last Autosaved performed will display in the top right hand corner below save and cancel icons.
