

# **FYDO Clinic Update - 21/03/2024**

## **Payments Report - Refunds**

A new tick-box has been added to the **Payments Report** called **Show Refunds Only**. By ticking this tick-box, it will filter the report to show Refunded amounts only.

## **Health Fund Number Character Limit**

The **character limit** for the **health fund number field** has been extended to accommodate 33 characters. This will particularly assist clinics that bill Department of Defence patients, who are required to record the DAN and EPID numbers.

## **Improvements made to History Notes**

Under the **Clinical** tab in a patient's file, there has been design improvements made to the **History Notes** screen. A patients list of **History Notes** will now auto adjust based on the screen size, as well as a scroll bar has been added to the **History Note** preview window when viewing long **Clinical Notes**. These improvements were made due to some users finding details/actions on the **History Notes** screen were being cut off when using a smaller screen.

## **Bug Fixes:**

- The Recalls SMS function issue has been resolved.
