

FYDO Clinic Update - 24/10/2024

Delayed SMS Improvements

Delayed SMS messages can now be cancelled. While FYDO has always allowed users to schedule SMS messages to be sent at specific times, you now can cancel a scheduled SMS if needed.

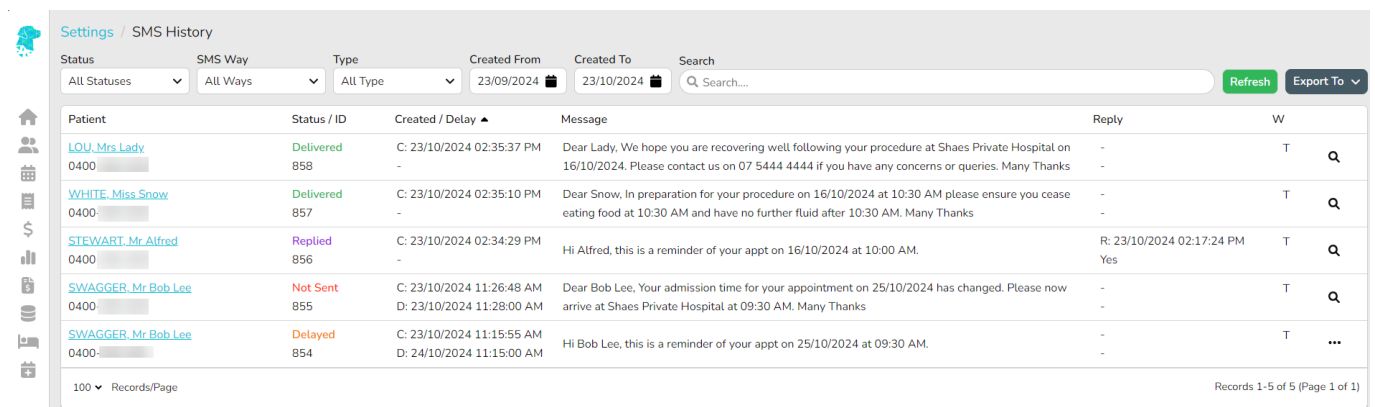

To cancel, go to the patient's **Communications** Tab and select **Cancel Delayed SMS** from the menu.

The audit log has also been upgraded to reflect these new functions.

SMS History Makeover

The SMS History Screen has been redesigned to improve readability and align with FYDO's modern look and feel.

New Arrived Icon for Appointments

Users now have the option to add an Arrived Icon to their Custom appointment views.

Previously, users only had the option to show the Arrived Time.
