

[FYDO Clinic Update 27/11/23](#)

Batch Hyperlink

On the **Invoice Details** screen, we have introduced hyperlinks that will take the user to the batch where the invoice is located within the **Claiming Medical** screen.

Simply, click on the **Batch ID**, **Batch #** or the **Batch Status** of an invoice from the **Invoice Details** screen to go directly to where the invoice is located.

The screenshot shows the 'Invoice Details' screen with the following information:

Invoice Details					
Invoice Number	84	Location	Clinic Tour (ID:1)	Claimant Name	
Service Type	ECLIPSE - Agreement - Inpatient	Servicing Doctor	Smith (Happy Lake), John (ID: 2)	Claimant Medicare No	
Payor	BUPA Australia	Billing Notes	HOS: ABC Test 123456AF	Referral Date	- - 0 months
Status	Paid	Referring Doctor	-	Referral Flag	N - Not required (non referred)
Invoiced	\$1,000.00	Batch ID	37	Batch #	A000010
		Batch Status	Received		

Below the table, there are two buttons: 'Show voided transactions' and 'Print Invoice'.

Three red arrows point to the 'Batch ID', 'Batch #', and 'Batch Status' fields, indicating they are clickable hyperlinks.

Patient Stats Report

New filter options have been added to the **Patient Stats Report**.

This report can now be filtered based on Community Nursing patients start of cycle date (*Please note- to retrieve acucare data, a patients cycle information must be kept up to date within their patient file*), patients billed within a specific date range and it can also be filtered to show patients billed under a specific doctor.

The screenshot shows the 'Patient Stats Report' filter form with the following fields:

- Sort By: Surname
- Born From: [Date Picker] To: [Date Picker]
- Created From: [Date Picker] To: [Date Picker]
- Postcode From: [Text Field] To: [Text Field]
- Start Of Cycle From: [Date Picker] To: [Date Picker]
- Patient Billed From: [Date Picker] To: [Date Picker]
- Doctor: [Dropdown Menu]

A red arrow points to the 'Start Of Cycle From' and 'Patient Billed From' fields, indicating they are new filter options.

At the bottom right, there is an 'Update' button.
