## **Claims Import Enhancement**

We have introduced an enhancement to the Claims Import auto send feature for Medicare and DVA batches.

A new toggle option is now available, allowing clients to choose whether imported Medicare and DVA claims are automatically sent after import, or saved for manual review and submission.

This feature is defaulted in FYDO to **automatic batch sending**.

If you would prefer this setting to be disabled, please submit a support ticket and our team will be happy to assist.
