

# **FYDO Hospital Update - 05/06/2025**

## **Doctors Statutory Declaration**

A new checkbox option has been added under the Doctor section in Settings to indicate whether the doctor has signed their Vaccination Statutory Declaration.

This information has also been added to the **Doctors List > Excel Export**.

## **Patient Alerts Screen Improvements**

The Patient Alerts screen will now display over additional pages if there are more than 50 entries to show. This enhancement will improve loading performance and allow users to click between pages.
