

FYDO Hospital Update - 11/05/2023

New Checklist Added to Right-Click Menu

This new feature gives users the ability to easily mark these highlighted tasks off without having to go into the Edit Appointment Screen. They can now be accessed in the Appointments Screen Right-Click Menu.

This will assist in an efficient & streamlined pre-admission process.

Processing & Payments Reports > Payments Tab Additions

The Payments Tab has now been divided into **Clinic** & **Hospital**. This change will benefit facilities that utilise both the FYDO Hospital & the FYDO Clinic modules. For facilities that only utilise one of the modules there will be no significant change. The user will just need to ensure they click on the relevant tab for their facility.

Episode Stats Report Addition

The **Entitlement Card** information will now be included on the Episode Stats Report when it is Exported to Excel - Raw Data.
