

FYDO Hospital Update - 14/08/2025

Merge Practices Feature

Facilities now have the ability to merge **practices**. This enhancement streamlines workflow and improves data management by providing a simple way to consolidate multiple practices and maintain a cleaner, more organized database. You will find this merge feature in **Settings > Practices > Select Practice**.

SETTINGS > PRACTICES > 10026 - HOLLYWOOD CLINIC

Incomplete Report Addition

FYDO has implemented an enhancement to the Incomplete Report: when the report is run using the *Uncoded Episodes* or *Ungrouped Episode* filters, the **Coding on Hold** reason will now be displayed.

Patient Name	MRN	Fund	Adm #	Adm Date	Dis Date	MBS	Diagnosis	Sts	Admitting Dr	Coding On Hold	Invoice On Hold	Theatre On Hold	Cancelled	No Proc
BEACHES, Sandy	199	AUH	842	14/02/2025	14/02/2025			D/O	EYES, Bright	Awaiting Items				
SWAGGER, Bob Lee	163	AUH	976	17/06/2025	17/06/2025			D/O	EYES, Bright					

1 - 2 of 2 items

New Column on Revenue Report

A new column has been added to the *Revenue Report - Raw Data* Excel file. Located in column **BB**, the new field is titled **InvGross ex OS 6**. This column represents the total revenue excluding the value of prostheses.
