

FYDO Hospital Update 19/5/2023

New fields available for Appointment Screen Custom Views

Users are now able to add the **Theatre Complete** information from the **Theatre Screen**, along with the **Pathology** information, to a Custom Appointments View.

This addition will assist in efficient workflow by enabling users to view this information without needing to open the Theatre Screen.

To create a Custom View, with these additional fields, follow our Wiki Instructions on [**Creating Custom Views in the Appointments Screen**](#)

Here is an example of how it could be set up:
