

# **FYDO Hospital Update - 20/03/2023**

## **End of Day Banking Addition**

Refunds, that are allocated the Payment Type of Cash, Credit Card, EFTPOS or Amex/Diners, will now appear in the **End of Day Banking**. This will assist users in balancing their End of Day Banking with their EFTPOS Settlement & the actual amount of cash they would have at the end of the day.

This will also mean that staff won't need to raise an Excess/Deposit receipt for a negative amount to make the banking balance, resulting in all Refund Adjustments being captured together on the adjustments report.

For further information on performing a refund adjustment please see:

<https://wiki.fydo.cloud/adjustments/>

## **2 Step Authenticator App**

FYDO will now show which users are utilising the 2 Step Authenticator App with a green tick in **Settings > Users**. This allows the facility to view which users have chosen to use the Authenticator App option.

As per FYDOs Security Policy, all users are required to undertake the 2 Step Authentication process, however users without the green tick would be utilising the SMS or Email option for this feature instead of the App.

## **Length of Stay Report Addition**

The Length of Stay Report now displays the **Average Time** for the episodes & criteria selected. The average is calculated by **Total number of Minutes**  **Number of Episodes = Average per Episode**.

## **Bug Fix**

The IFC **Re-Order Item Numbers** tick box will now ensure item numbers are NOT reordered if it is UNTICKED by the user.
