

[FYDO Hospital Update - 21/08/2025](#)

Exporting Fund Fees

We've made an enhancement to the **Settings > Health Fund Fees** section. The previous "Print" option, located in the top right-hand corner, has been updated and renamed to "**Export To**". This new functionality now allows you to export Health Fund Fees not only as a **PDF**, but also as an **Excel spreadsheet**, providing greater flexibility and convenience.

Bed Tracker Addition

We've introduced an additional option to the **Bed Tracker** screen for the overnight hospitals. When selecting the "**Print Handover**" button in the top right-hand corner, you will now have the ability to print the handover **by doctor**.

This enhancement ensures that doctors only view information relevant to their own patients, improving efficiency and maintaining patient confidentiality.
