

[FYDO Hospital Update 22/07/2022](#)

Mandatory Admission Fields

We have upgraded the admission screen that will now enforce mandatory fields to be entered in the patient screen to enable the user to move forward to the admission screen. Below is the prompt warning that will alert a user to go back and update those fields, if the user selected the green “Go to patient screen” button they will be able to add the appropriate details immediately.

Mandatory Fields

The following is missing from the patient screen:

- Address
- Suburb
- Postcode
- Marital status
- DVA Card Colour

Please go back to the patient screen and enter missing information

Go to Patient screenOK

To turn on this feature the administrator will be required to do so through the system configuration in settings. Highlight below is the checkbox required to be ticked.
