Bed Tracker Additions

As part of our ongoing development of **Statistical Discharges**, facilities can now identify these on the **Bed Tracker**. New colours have been introduced to distinguish **Statistical Discharge**, **Statistical Admitted** and **Leave**.

This feature is designed to assist facilities that accommodate long-stay patients.

Patient Audits

Additional audit logs have been added when amendments are made to the patient screen. New logs include:

- Preferred Name
- Title
- Pronoun
- Home Phone
- Work Phone
- Mobile
- Email
- DOB Estimate

Refund Adjustment Improvements

An improvement has been made to the **Adjustments**, enabling facilities to add their own **Refund Adjustment Types** while still assigning a payment type to these adjustments.

To implement this feature, facilities must add an **Adjustment Type** assigned to **Payments**, ensuring the name including the word “Refund”.
