

FYDO Hospital Update - 27/02/2023

Bulk SMS amendments

When sending bulk SMSs the screen will now default to **All** appointments. This will assist in sending additional bulk SMSs to patients' after they have already received an SMS & replied to it.

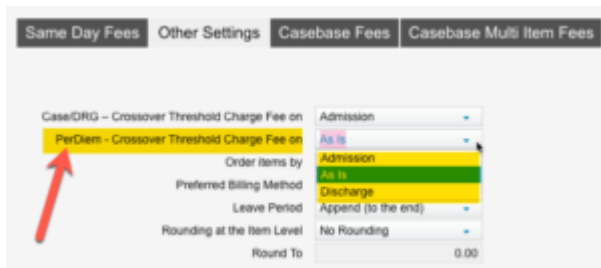

New Billing Rule for Overnight Facilities

Facilities are now able to select how an inpatient episode is billed if it crosses over the contract **threshold date**.

Options that are available are:

- **Admission** – bill the whole episode as per the contracted fees on the admission date
- **Discharge** – bill the whole episode as per the contracted fees on the discharge date
- **As Is** which will bill the old contracted fees before the threshold date & then revert to the current contracted fees after the threshold date.

Reports Favourites Feature

The ability to choose favourite reports is now available on a user level. This will enable each user to select the reports, that are most useful to them, to be displayed when they hover over the Reports icon

Reports can be added to the users short-list by clicking the star to the left of the desired report. The complete list of reports will still be available for all users by simply clicking on the Reports icon, as opposed to just hovering over it.

Bug Fix

The issue that was occurring that prohibited some reports to be marked as a favourite has now been rectified.
