

[FYDO Hospital Update - 29/05/2025](#)

Doctors Credentialing Alerts

FYDO's latest feature introduces alerts related to doctor credentialing.

Under *Settings > System Configuration > Hospital*, four new tick box options are now available:

- **On Admission - Make valid credentialing mandatory**
- **Theatre Roster - Alert when credentialing has expired**
- **Theatre Roster - Alert when indemnity insurance has expired**
- **Theatre Roster - Alert when AHPRA registration has expired**

The screenshot shows the 'Hospital' settings page. On the left, there are color-coded boxes for various patient states: Booking (pink), Arrived (light purple), Admitted (light blue), Pre-op (blue), Anaesthetic Bay (orange), In Theatre (light blue), Recovery 1 (light green), Recovery 2 (green), Recovery 3 (dark green), Ready for Discharge/Ward (red), and Discharged (teal). On the right, there is a list of checkboxes. A red arrow points to the checkbox 'On admission, make valid Credentialling mandatory', which is checked. Below it, three other checkboxes are also checked: 'Theatre Roster - alert when Credentialling Expired', 'Theatre Roster - alert when Indemnity Insurance Expired', and 'Theatre Roster - alert when AHPRA Expired'.

Setting	Status
Allow referral to be entered without a referral date/period	<input type="checkbox"/>
Alert when referral expired when editing an appointment	<input type="checkbox"/>
On admission, make patient fields mandatory	<input type="checkbox"/>
On admission, make Next of Kin mandatory	<input type="checkbox"/>
On admission, make Emergency Contact mandatory	<input type="checkbox"/>
On admission, alert to take excess if not yet collected	<input type="checkbox"/>
Theatre Roster required when making bookings	<input type="checkbox"/>
Invoicing only allowed if 'Episode Grouped'	<input type="checkbox"/>
Invoicing only allowed if 'Theatre Completed'	<input type="checkbox"/>
On admission, make valid Credentialling mandatory	<input checked="" type="checkbox"/>
Theatre Roster - alert when Credentialling Expired	<input checked="" type="checkbox"/>
Theatre Roster - alert when Indemnity Insurance Expired	<input checked="" type="checkbox"/>
Theatre Roster - alert when AHPRA Expired	<input checked="" type="checkbox"/>

If your facility utilises these new tick boxes, a pop-up message will appear indicating which specific requirement needs attention whether during patient admission or when creating a theatre booking.

The screenshot shows a pop-up message with the title 'Credentialling Invalid or Expired'. The message text reads: 'The doctor's credentialling is either invalid or expired, please correct this information before proceeding.' At the bottom, there are two buttons: 'Ignore and Proceed' (green) and 'Cancel' (grey).

Pre-Admit Holding Bay

In the Pre-Admit holding bay, a new option is now available when committing a patient: you can select 'IFC Signed' if you are linking the form to a particular episode and the patient has digitally signed the Informed Financial Consent (IFC). Once selected, this will be reflected in the checklist on the admission screen.

Tokens

FYDO now has a token for the Signed Informed Financial Consent (IFC) Checklist Item. This token will work on:

- Theatre List
- Quick Forms
- SMS
- Handover Report
- Bed Tracker

Please see below to view the newly added token:

<<IFCs>>	Checklist - IFC Signed	Y = ticked
----------	------------------------	------------

For a full list of available IFC tokens, click the link below to access our FYDO Wiki Manual:
