FYDO Hospital Update – 29/05/2025
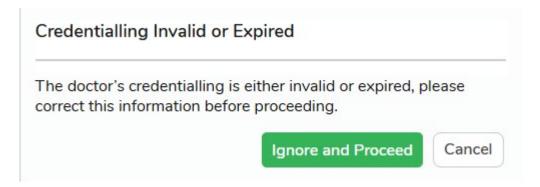

Doctors Credentialing Alerts

FYDO's latest feature introduces alerts related to doctor credentialing.
Under *Settings > System Configuration > Hospital*, four new tick box options are now available:

- **On Admission – Make valid credentialing mandatory**
- **Theatre Roster – Alert when credentialing has expired**
- **Theatre Roster – Alert when indemnity insurance has expired**
- **Theatre Roster – Alert when AHPRA registration has expired**

If your facility utilises these new tick boxes, a pop-up message will appear indicating which specific requirement needs attention whether during patient admission or when creating a theatre booking.

Pre-Admit Holding Bay

In the Pre-Admit holding bay, a new option is now available when committing a patient: you can select 'IFC Signed' if you are linking the form to a particular episode and the patient has digitally signed the Informed Financial Consent (IFC). Once selected, this will be reflected in the checklist on the admission screen.

Tokens

FYDO now has a token for the Signed Informed Financial Consent (IFC) Checklist Item. This token will work on:

- Theatre List
- Quick Forms
- SMS
- Handover Report

- Bed Tracker

Please see below to view the newly added token:

<<IFCs>>	Checklist - IFC Signed	Y = ticked

For a full list of available IFC tokens, click the link below to access our FYDO Wiki Manual:
