FYDO Hospital Update – 3/4/2023

New Maiden Name Field

FYDO has a new field to enable users to keep the **maiden name** of a patient on file. When searching for a patient FYDO will also check the Maiden Name field for any matching information enabling easy identification of patients.

Email Log

Users are now able to view a log of all emails that have been sent from the **Documents Tab in FYDO.** This includes emails to the patient, referring doctor or doctor. This information is displayed in the **Communication** tab.

Sending Bulk SMS's

A new column has been added to the **Send Bulk SMS** option to allow the user to see the **Procedure Notes** for each patient. This is to assist the user in determining which patients' need to receive different SMS templates.

Arrears Report Addition

The patients' **health fund membership number** and **Date of Birth** will now show on the Arrears Report when it is exported to Excel – Raw Data.

Bug Fix

The issue that some users were experiencing with the 2-step authenticator app not remembering them for 30 days has been resolved. *(This issue did not affect users that utilise the SMS or Email 2*

step authentication option)
