## FYDO Hospital Update - 3/8/2023

## Added ability to enter a Certificate for booked episodes

Currently FYDO only allows certificates to be entered for admitted episodes. However, users will now be able to add the certificate information into the booking/episode as soon as it has been made.

## New contract start & end date for each Overnight Accommodation Category

To accommodate the function of some health fund contracts, FYDO now gives the ability to add a different **Start of Current Fee Date** along with a different **End of Current Fee Date** for each Overnight Accommodation Type.

These start & end dates are not linked with the main contract dates, enabling them to be different if required.
