

## FYDO Hospital Update - 4/5/2023

## SMS function for Pick Up Person

FYDO now offers the ability to send the **Pick Up Person a text message!** This fabulous new feature will allow the Pick Up Person to be alerted, when the patient is ready to go, with just a few clicks of the mouse!

The Pick Up Person can be added on the **patient screen**, using the tab located alongside the Next of Kin details.

An SMS can be sent to the Pick Up Person by navigating to the appointment & using the Right-Click menu to select **Send SMS**.

The SMS will then be logged in the patients **Communication** tab for reference.

## SMS Template Examples

## Basic Pick Up SMS

Dear <<PUFirstn>>, <<patFirstN>> is now ready to be collected. Many Thanks

Dear Wendy, John is now ready to be collected. Many Thanks

## Cancelled Episodes Report Additions

The Surgeon/Doctors name has now been added to the Cancelled Episodes Report.

[illegible]

## Claiming Hospital - New Hover Feature

A new hover has been added to the **Claiming Hospital > Not Yet Sent** tab to assist users in preparing claims to be sent via ECLIPSE.

For claims that are showing as **“Not Ready”** users are now able to hover over the icon & be reminded of the 3 requirements that are needed to obtain a **“Ready”** status.

## Financial Notes added to Create Invoice Page

Users will now be able to view the Financial Notes, that have been entered into the Episodes Screen, when creating an invoice.

A screenshot of the 'CREATE INVOICE' page in a medical software system. The page has a sidebar with icons for various functions. The main content area is divided into several sections. At the top, there's a header with patient information: MRN 413, DOB 01/01/2003 [20], Sex Male, Fund ADF, Location Hospital NSW (QLD). Below this, there's a section for 'Send Invoice To' (ADF - Australian Defence Force) and 'Claim Details'. The 'Procedure Items' section contains a table with columns: Item, Description, Date of Procedure, Band, Band Type, Session, and Action. The first row shows item 32084 with a description of flexible fiberoptic sigmoidoscopy or fiberoptic colonoscopy. Below this, there's an 'Other Services' section with a table for adding services. At the bottom, there's a 'Financial Notes' section with a yellow background, and an 'Episode Notes' section. A green button 'Proceed to see charges' and a grey button 'Cancel' are at the bottom right.

## New User Permissions for Multi Location Databases

Users can now be given access to specific “Locations” within the database. This will assist in providing each user with the access to the locations that they require, while restricting access to the locations that they don’t need.

This feature can be located in **Settings > Users** & is able to be set for each individual user.
