

Obtaining ATSI Statistical Data (Hospital)

From time to time, it will be necessary to report on Aboriginal & Torres Strait Islander statistics. FYDO makes this extremely easy using the Episode Stats report.

1. Select **Reports** from the main menu
2. Select **Episode Stats**

3. In the **Group By (Primary)** field select **Indigenous**
4. Select the date range required in the **From & To** fields
5. Click **Update**

The report will give you the total number & percentage total of episodes that fall under each category.
