## **Online Pre-Admission Paperwork**

## Receiving admission forms that have been submitted online through the patient portal

- 1. Select Data I/O and then PreAdmit Holding Bay from the main menu.
- 2. The list of submitted forms is shown on the **LEFT** and a preview of the admission form on the **RIGHT**.
- 3. For patients that are Not Linked, click on the 3 dots and select Link Patient. If there is no matching patient select "Create New Patient"
- 4. Print or download the paperwork using the icons, **Print** or **Print All**, in the top right corner of the preview screen. **Print** will just print the form that is being previewed. **Print All** will print any additional forms that the patient has attached also.
- 5. The 3 dots can also be used to **Commit** the document to the patients record.
- 6. Documents can also be **Committed in Bulk** by selecting all the entries using the check boxes on the left.
- 7. Using the **Select Bulk Option** dropdown box select **Bulk Commit**.
- 8. If committing forms individually, you're given the option to assign the form to a **particular episode.** A pop up will give the option to **Link to Episode** with a drop down to choose the particular episode.
- 9. You can also choose to update the **Admission Form Received** checkbox on the Edit Appointment Screen while committing the form as well.
- 10. You are also given the option to update **Health Fund Details** for the particular episode if the PreAdmit form has different details than what is listed in FYDO.
- 11. These forms will now be saved in the corresponding patients **Documents**.
- 12. If you would like to attach the documents to the patients record, but NOT automatically update the patient record, then UNTICK the "**Update Patient Record**" checkbox before committing.
- 13. If you have committed a patient, but cannot remember who they were, go to the **Settings** and select **Logs**. This will give a list of who has been committed.

All new **Patient Alerts** can now also be viewed from the **Preadmit Holding Bay!** Simply click the flag icon:
